Jean,

As discussed today, attached are the OST comments on the EJ analysis. Also, Ex. 6 Personal Privacy (PP) 2019 comments are identified using Letter ID 8268. If you search on that number in the document called Dewey-Burdock Comment Table January 2020 you will find those comments.

Jean,

Here's the 12 pg comments on EJ analysis document. I think you will also need to review, at a minimum, the new comment Ex. 6 Personal Privacy (PP) Valois mentions below (I can show you how to find those) as well as OST comments that are specific to the EJ analysis.

Hi Corbin,

The EJ comments are attached. I don't see that there are any new ones under the EJ topic heading. I know Ex. 6 Personal Privacy (PP) was going to provide us new comments. She spoke at the public hearing, so it might be helpful to search for her in the transcript. I will see if I can pull her comments from the docket.
